## Accommodation

There are various places to stay in the picturesque Ironbridge Gorge to suit all budgets. Within walking distance we have the YHA, B&Bs and many hotels and Inns. All accommodation information is available through the following tourism websites.

[www.shropshiretourism.co.uk](http://www.shropshiretourism.co.uk)    [www.virtual-shropshire.co.uk](http://www.virtual-shropshire.co.uk)  
[www.visitironbridge.co.uk](http://www.visitironbridge.co.uk).

Being a World Heritage site an evening stroll by the River Severn calling in at any number of fine pubs and hotels will round off a great workshop day. There are a huge number of cycle ways, single mountain bike tracks and footpaths starting in the Gorge.
